# Template: Intercultural Participatory Opera Projects

---

### Description

Use this tool to focus your planning for intercultural participatory opera projects. The template is left partially blank so that you can complete it with your own priorities while brainstorming for your new project.

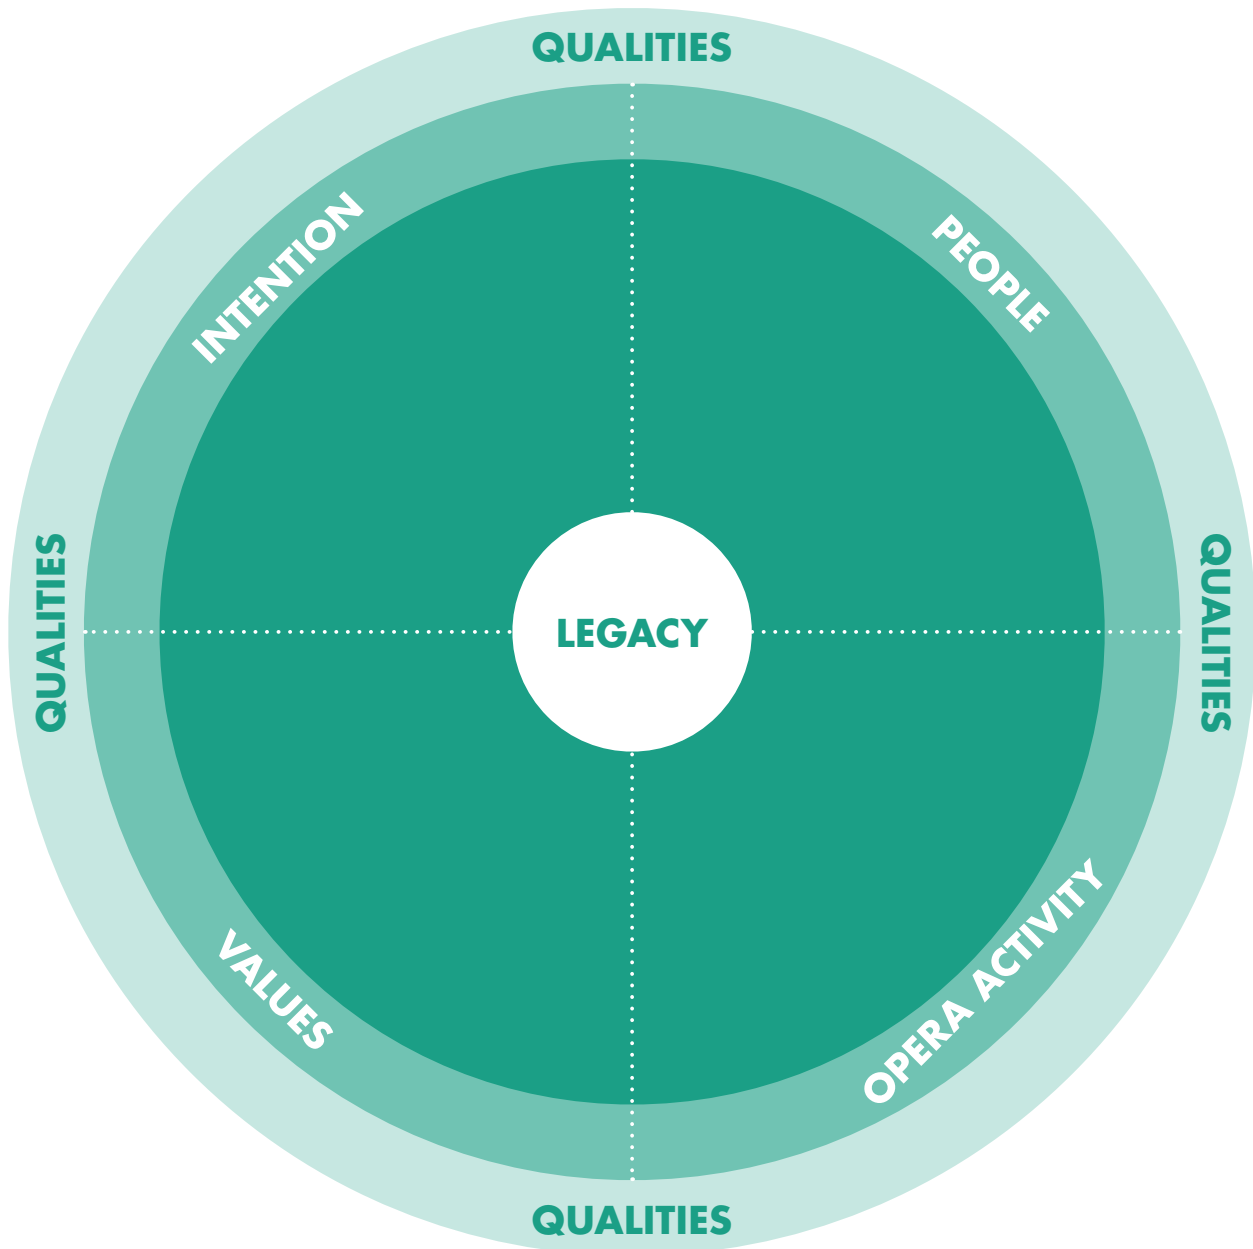

### How to use it

Complete it as you want and as you find helpful when designing your new participatory activity. It can be used alone or you can refer to the pre-filled Framework for Intercultural Participatory Opera Projects developed by RESEO. You can also consult the framework after having filled the template first.
