

LA MONNAIE  
DE MUNT

## PROGRAMME

### Friday 10 December

11:00

#### **Where We Are - Welcome Session**

The Steering Committee will present what RESEO did over the past two years, our active Erasmus+ projects Mind the Gap and Smart Composer and opportunities for members followed by what we have planned for the next year.

11:30

### **Building the Future - Collaborative Workshop**

Led by Violaine Fournier (Cie Minute Papillon)

In this session, members will reflect upon their ongoing projects and the key issues they are facing in order to **imagine their ideal network**. How can RESEO inspire you, respond to your needs and provide a space for you to share your projects and support other members?

14:00

### **Symposium in partnership with La Monnaie/De Munt** **Community projects, Re-connecting & Looking Further**

Two expert panel discussions on topics related to the impact, follow-up and (dis)continuity of community/participatory projects. Detailed programme [here](#).

## **Saturday 11 December**

10:00

### **RESEO Roadmap**

Led by KEA European Affairs

The policy design research centre KEA will demonstrate and collect feedback as to how RESEO can support the development of projects that enable networking, collaboration and sharing of experience. Based on the collaborative workshop led by Violaine Fournier, we will develop a proposal for a RESEO roadmap, combining the creativity and innovation potential of members' projects, with the collective strength of the network. We will explore together how your projects can contribute to other members' ideas and inspire RESEO, and conversely how the network can best support your new ideas and endeavors. This roadmap will form the basis for a collective discussion and exchange and contribute towards the development of a shared strategy.

11:30

### **RESEO 25 Years - Virtual Brunch Celebration**

Bring your own drink and snack!

Interactive presentation of the new RESEO anthem composed by Omar Shahryar and virtual open space for networking and discussions.
