

# Fortissimo

A new era in music education

# FORTISSIMO - making music education simply

[www.fortissimo.education](http://www.fortissimo.education)

## HOW?

### 1. with an app

Kids can explore music individually and in a playful way [link](#)

### 2. teacher's area

Lesson plans are available on a digital platform for teachers, including step-by-step guides, audio & video files, worksheets, etc. [link](#)

### 3. VR digital music house:

Children who are too far away from a theatre can listen here to concerts [link](#)
